It is a recognized fact that no "Snowdrift" user ever uses any other cooking-fat, for "Snowdrift" -- the Standard of quality--is purity itself, make by Nature in the green fields of the Sunny South. The topmost grade of cotton seed oil refined by our original Wesson process. No hog-lard in it. Wholesome, economical, digestible, healthful. As good as butter for all cooking purposes, and much cheaper.

Beware of imitations.
